How Do I Keep Birds From Eating My Tomatoes?

Dealing With Pests · https://www.agardenpatch.com/customer-center/how-do-i-keep-birds-from-eating-my-tomatoes/

Our friends at the Farmer's Almanac have some great tips for keeping birds from eating your tomatoes. See the article How To Keep Birds Away From Your Garden. We recommend getting a GrowBox Staking Kit and wrapping it with bird netting available at any garden center.
